

RIVETING RIG

Materials you'll need: Strike King Caffeine Shad (Color: Siren) Bottom Bait- Strike King Rage Swimmer (Color: Electric Shad) a pop rivet, and treble hook.

Step 1: Separate the hollow sleeve from of the pop rivet.

Step 2: Push the hollow sleeve into the back side where the "v" is in a Caffeine shad on the belly.

Step 3: Push the hollow sleeve up in there towards the nose, and use the nail to clean out the inside of the rivet and then your line slides right through the rivet.
